

The Bellaire Business Association
Invites You to Join Us for...

Dear Bellaire Restaurant Owners,

The Bellaire Business Association is preparing to host our 3rd Annual Bellaire Foodie Fest on September 30, 2023. More than 300 Guests will be able to sample a variety of delicious eats and beverages, brush up on their chef skills with a lineup of cooking demonstrations, listen to live music, and more! A portion of the event proceeds will benefit the Willbern Heritage Scholarship Foundation, a non-profit which provides scholarships for higher education to select students who graduate from public schools in Southwest Houston.

Restaurant Donors will find this event to be an effective marketing tool for their business. The public relations and goodwill generated will have a positive residual effect for participants year-round. Donors also will have the opportunity to gain more exposure in pre-event promotion. The event provides a basic indoor kitchen/prep area inside City Hall as well as tables, table coverings, and on-site signage. Restaurant Donors in this program will offer a minimum of three of the establishment's signature items. This program will allow the public to sample some of the offerings of nearby restaurants. Extensive publicity and promotions are planned for this year's event. Restaurant Donors may be called upon to participate in pre-event promotions. The deadline for participating restaurant commitments is July 31, 2023. Please visit the event website at www.BellaireFoodieFest.com or contact Tim Sullivan, Restaurant Committee Chair, at Timsullivan@actioncoach.com for more information.

We thank you for your consideration of a donation of your delicious food and time to this fantastic event!

Sincerely,

The 2023 Bellaire Foodie Festival Committee
